Allergies

There are students and/or staff members at our school allergic to the following:

- Eggs
- Fish (including shellfish)
- Nuts (peanuts/mixed nuts/hazelnuts)
- Scented products (hand sanitizer, cologne, perfume, hairsprays and gels)

These allergies are anaphylactic in nature and require individuals to carry a life-saving device called an epipen. Please be very cautious when packing lunches.

This past Saturday we had students from our school receive awards that the Air Cadet ACR. Congratulations to Keisha Kelly (Corporal) who received the BEST DRESSED JUNIOR CADET AWARD.
