Schedule will consist of at least one game a week per team. Teams should get 9 regular season games in the fall and 12 after Christmas than 2 playoff games.

*****Schedule subject to change if school events come up***.**

RULES:

1. There is **ABSOLUTELY NO ARGUING...DON'T GRUMBLE ABOUT FOULS OR ANYTHING ELSE.** If players don't call fouls, captains can call fouls for their team. Offensive players don't call a foul to send themselves to the line. **THIS IS A GENTLEMAN'S LEAGUE...ACT LIKE IT!**
2. Games will consist of four 10 minute 'stop time' quarters. There will be 1 minute between 1st and 2nd quarters and 3rd and 4th quarters and there will be a 5 minute halftime. Teams get 1 time-out in first half and 1 in the second. There will be an additional timeout that can only be used in the last 2 minutes of the game.
3. Conduct: **We ask ALL players to use appropriate language in the Gym.** This is a school and students are playing. Any outbursts can lead to technical fouls called by captains. Any dirty play or fighting will lead to a suspension (for how long will depend on the particular incident – **money will not be refunded because of suspension**).
4. We will play 5 on 5. If a team only has 4 players we will play 4 on 4 but will play 5 on 5 if a 5th player shows up. Teams have been assigned various high school players who will play to make games count or provide changes for teams. If teams need additional players they can pick up players equivalent in talent /ability to who is missing that night (use your best judgement and stay classy guys!).

5. You need 3 team members to make a game official. You can then supplement with High school Players or if absolutely necessary, players of equivalent abilities to someone who is absent. Pick up players shouldn't be a factor in wins and losses (try to keep teams as even as possible).
6. League Registration will be \$20 and \$10 if you bring back a jersey. Which will hopefully cover the cost of a Jersey and some new balls. **Registration must be paid by Game 2!**
